## MODELING PATTERN

Judges will be looking for personality and confidence on stage. The Modeling Pattern is given as a guide. Once each contestant has modeled individually, they will re-enter for a group line-up. Contestants ages 0-2 will require a parent/guardian or adult presenter with them at all times. That person should keep at least **one hand on the contestant at all times** as well. We will have reigning queens to help with all contestants.

## Sample Stage

## Please read each of the following important statements:

- \* Our Little Miss is a natural pageant and while age appropriate make-up is allowed on ages 3 and up, we encourage you to keep your child looking age appropriate. Dresses can have sparkle, but no glitz dresses are allowed. We prefer simple modeling. Contestants will be allowed to practice on stage before the competition begins. Routines, over the top facials/hand gestures, etc. are highly discouraged.
- \* Door entry is \$10 per person for everyone ages 3 and up except the contestant(1 chaperone included for 0-2 group ONLY). This includes parents, family, friends, etc. Please let your guests know!
- \* Visit our website at [www.floridasourlittlemiss.com](http://www.floridasourlittlemiss.com) for this preliminary packet, clothing examples, and much more.
- \* We are a tiered level pageant which means that local contestants will qualify to move on to our state pageant. *The queen and princess of each division are required to attend the state pageant*, but everyone is encouraged and welcome to attend! Preliminary contestants will receive a discount to our state pageant based on their placement at the preliminary.
- \* This is a laid back pageant so if it's your first time, don't worry! We will walk you through everything to make sure you and your contestant have an amazing and fun time!
- \* You must be a resident of Florida to enter!

## ***Attending a preliminary pageant qualifies you for our state pageant!***

While the queen and princess in each division is **required** to move on to the state pageant, we encourage ALL participants to attend as you all will be representing your area in the Florida State Pageant! The state pageant is a different set of judges and everyone starts on an even playing field! It will be a great experience and your daughter will make friendships and memories that will last a lifetime!

Our Little Miss is a tiered system where contestants represent their local area at the state pageant and then represent our state at the world level!
